Why Appalachian Bible College

Because we are a Bible college

. . . we have a singular focus. Appalachian Bible College specializes in Biblical and theological instruction and development of Christ-like character, resulting in men and women equipped to serve in the “fields white unto harvest.”

We welcome students from across the United States and from countries around the globe, in order to provide them with an excellent Bible education. What better place to prepare for life and ministry than Bible College?

Because our campus is a warm, caring community

. . . students feel right at home. Our students readily agree that one of the things they love most about Appalachian is the friendliness of our campus community and especially the close relationships enjoyed with fellow students and with staff. The word “family” is often heard when our students refer to ABC.

We know that personal relationships are very important to total development as a Christian. Our alumni frequently testify that the friendships nurtured here have been the closest of their lifetime.

Because we are located in the beauty of West Virginia

. . . and enjoy its scenery and outdoor adventure opportunities as a result. Even though we are located just minutes from two interstate highways, we are also next door to the “Grand Canyon of the East,” the New River Gorge.

Our campus, nestled in the majestic hills of southern West Virginia and nationally recognized for its beauty, is exceptionally picturesque throughout each season of the year.

Because we have a reputation for academic excellence

. . . classes are designed to be challenging. With a 10:1 student/faculty ratio, many classes are designed so that students may receive individualized attention and instruction from their professors. Students benefit from the personal contact with caring faculty members.

Our programs of study all include a broad grasp of Scripture, both Old and New Testaments, along with more specialized study of Bible sections, individual books, and difficult passages.

Courses on Bible interpretation, missions, evangelism, English, speech, church history, cults, and practical theology are part of every program.

Because we share a mission

. . . given by our Savior, to share the Gospel with a needy world and to strengthen His Church around the globe.

At Appalachian Bible College, our desire is to provide specialized Biblical training in a nurturing environment while mentoring students and helping them develop their individual spiritual gifts and abilities.

Equipped, mature servants thrust into the harvest fields (Matthew 9:38)—that is our goal...Because Life is for Service.

Presidential Profile

Daniel L. Anderson serves as the second President of Appalachian Bible College.

Through the nurturing of a pastor's home in Iowa, Dr. Anderson enrolled at Appalachian Bible College in 1968 as the fifth of six children to attend ABC. He graduated from the Bible/Pastoral program in 1971.

After achieving his three-year diploma, he completed undergraduate studies at Faith Baptist Bible College in 1972. Marriage to Rosalie Welker, his college sweetheart from Appalachian, occurred in 1973 during his studies at Grace Theological Seminary, where he received his Master of Divinity in 1975. While a graduate student, he served on the pastoral staff of Grace Bible Church in Elkhart, Indiana, where he was later ordained to the ministry.

Moving to Dallas, Texas, Dr. Anderson served as an Administrative Intern at Dallas Theological Seminary while earning his Master of Sacred Theology and Doctor of Theology degrees. Upon completion of doctoral classes, he joined the staff of Appalachian Bible College in 1978, where he served as Registrar, Instructor in Bible and History, Dean of Students and Assistant to the President, before his inauguration as President in 1983.

Dr. Anderson has been actively involved in various ministry agencies such as Fellowship of Missions and the Friends of Israel; he also regularly serves with a variety of professional and educational organizations, such as the Association of Biblical Higher Education, the National Association of Independent Colleges and Universities, and the WVICU. He has also been appointed to the Governor's Board of the College Prepaid Tuition and Savings Program.

Through his leadership, Appalachian has enjoyed the addition of facilities and properties for the college and their extension ministries which today provide a beautiful setting to fulfill its mission of equipping students to serve the Church.

Other accomplishments include regional accreditation with the Higher Learning Commission, the development of "Our Path for Servants" (the College strategic plan), leadership of international student travel groups and significant enrollment increase. Curricular expansion has occurred under his leadership including the introduction of a graduate degree program.

Worldwide speaking tours have taken him to more than thirty countries and numerous cities across the U.S., providing keynote addresses for Christian educators and administrative conventions as well as church-related Bible and mission conferences.

Dr. Anderson and his wife Rosalie (Professor in Music), have five children. The Andersons reside near the College and are active members of Piney View Bible Church.

The passion of Dr. Anderson is regularly expressed in his life verse, Psalm 84:11, 12: "For the LORD God is a sun and shield: the LORD will give grace and glory: no good thing will he withhold from them that walk uprightly. O LORD of hosts, blessed is the man that trusteth in thee." Dr. Anderson's passion for serving and for equipping servants has permeated his tenure as president. This passion has been advanced in the publication of his book entitled [Biblical Slave Leadership](#).

Doctrinal Statement

Concerning God: We believe in one Triune God, eternally existing in three persons—Father, Son, and Holy Spirit— co-eternal in being, co-identical in nature, co-equal in power and glory, and having the same attributes and perfections (Deuteronomy 6:4; II Corinthians 13:14).

Concerning Scripture: We believe the Holy Scriptures of the Old and New Testaments to be the verbally inspired Word of God, wholly inerrant in the original writing, infallible and God-breathed, the final authority for faith and life (II Timothy 3:16, 17; Matthew 5:18; II Peter 1:20-21; John 16:12, 13).

Concerning Creation: We believe that the first eleven chapters of Genesis are the literal history of the early Earth.

We believe that this material universe is the result of a sequence of unique creative acts of God the Son, accomplished with the aid of God the Holy Spirit and directed by God the Father. We believe these creative acts were *ex nihilo*, completed by the mere spoken commands of God. We further believe that these creative acts were accomplished in six literal twenty-four hour days. Therefore we hold to a young earth view supported by the genealogies and other time information provided in the Word of God. We also believe that the material universe was created in total perfection but subsequently was sentenced to a slow decay and eventual destruction by the Curse (binding), which was part of the penalty for the disobedience of the Parents of all mankind, Adam and Eve, whom we view as real, literal people, created on the sixth day of Creation. We reject all concepts of a pre-Adamic race. We believe that the biblical Noahic Flood was a real, year-long global event, the result of the judgment of God on the hopelessly rebellious descendants of Adam and Eve, and resulted in much of the present geology of the Earth, including most of the fossil graveyards of myriads of plants and animals then living. We believe that only eight human souls, Noah and his family, survived the Flood and that all mankind now living are descended from this family, dispersed over the face of the Earth by the confusion of tongues described in Genesis 11. We believe God created mankind in His image into two distinct and unchangeable biological sexes: male and female. Since God created mankind distinctly male and female, we believe that the only legitimate marriage is that between one biological man and one biological woman.

We believe that God created only one race—the human race. As such, we believe that all people have equal significance and value, and are treated equally both in God's eyes and, therefore, in the eyes of the College. (Matthew 19:4, 24:37; Genesis 1:1, 2; Colossians 1:16; 2 Peter 3:5; Exodus 20:11; Genesis 1:31; Genesis 1:27, 2:7-3:19; Genesis 6-8; Genesis 6:5, I Peter 3:6; Genesis 7:13 and 8:18; Genesis 2:22-24; Ephesians 5:22-33; Acts 17:26).

Concerning Christ & His Work: We believe that the Lord Jesus Christ, the eternal Son of God, became man, without ceasing to be God, having been conceived by the Holy Spirit and born of the virgin Mary, in order that He might reveal God and redeem sinful men (John 1:1, 2, 14; Luke 1:35). We believe that the Lord Jesus Christ accomplished our redemption through His death on the cross as a representative, substitutionary sacrifice in providing an unlimited atonement for the sins of the whole world; and that our justification is made sure by His literal, physical resurrection from the dead (Romans 3:24, 25; I Peter 2:24; Ephesians 1:7; I Peter 1:3-5). We believe that the Lord Jesus Christ ascended to heaven and is now exalted at

the right hand of God, where, as our High Priest, He fulfills the ministry of Representative, Intercessor, and Advocate (Acts 1:9,10; Hebrews 9:24; Romans 8:34; I John 2:1, 2).

Concerning Man, Sin & Salvation: We believe that man was created in the image and likeness of God, but that in Adam's sin the race fell, inherited a sinful nature, and became alienated from God. Man is totally depraved, in that every part of his being has been affected by sin. He is unable to remedy his lost condition (Genesis 1:26, 27; Ephesians 2:1-3; Romans 3:22, 23; 5:12).

We believe that salvation is the gift of God brought to man by grace and received by personal faith in the Lord Jesus Christ, whose precious blood was shed on Calvary for the forgiveness of our sins (Ephesians 1:7; 2:8-12; John 1:12; I Peter 1:18, 19). The Christian has two natures, one carnal and one spiritual, which become a source of spiritual conflict (Romans 8:1-13; I Corinthians 2:15-3:4). While his position is perfect in Christ, the believer's present condition is no more perfect than his daily experience.

He is called-upon to live a separated life and can have a spiritually mature experience in which he will evidence the fruits of righteousness through the new nature, the Holy Spirit's control and the assimilation of God's Word (2 Corinthians 7:1; John 17:14, 16; Galatians 5:16-25; Ephesians 4:22-32; 5:17-21).

We believe that all the redeemed, once saved, are kept by God's power and are thus secure in Christ forever (John 6:37-40; 10:27-30; Romans 8:1, 38, 39; I Corinthians 1:4-8; I Peter 1:5).

We believe it is the privilege of believers to rejoice in the assurance of their salvation through the testimony of God's Word; which, however, clearly forbids the use of Christian liberty as an occasion to the flesh (Romans 13:13, 14; Galatians 5:13; Titus 2:11-15).

Concerning the Church: We believe that the Church, which is the body and the espoused bride of Christ, is a spiritual organism made up of all born-again persons of this present age (Ephesians 1:22, 23; 5:25-27; I Corinthians 12:12, 13; II Corinthians 11:2).

We believe that the establishment and continuance of local churches is clearly taught and defined in the New Testament Scriptures (Acts 14:27, 20:17, 28-32; I Timothy 3:1-13; Titus 1:5-11).

We believe that the Lord Jesus Christ has left two ordinances to be observed by the local church in commemoration of His person and work. The one is that of baptism (immersion) in the name of the Father, Son, and Holy Spirit. The other is the partaking of the Lord's Supper (Matthew 28:19, 20; Acts 2:41, 46, 47; 16:33; I Corinthians 11:23-32). No person is qualified to have part in either of these two ordinances unless he has been born from above.

Concerning the Spiritual Gifts: We believe that God gives spiritual enabling gifts for service to all believers (Romans 12:6-8; I Corinthians 12:4-11; Ephesians 4:11-16). We believe that the apostolic age of signs and the gifts of healing and tongues ceased with ministry of the apostles chosen personally by Christ and with the completion of the written Word of God. We believe that speaking in tongues was never the common or necessary sign of the baptism nor the filling of the Spirit. The gifts which remain are sufficient for the ministry and the perfecting of the Church today. We believe that God does hear and answer the prayer of faith, according to His will for the sick and the afflicted (James 5:14, 15).

Concerning Evangelism: We believe that it is the obligation of the saved to witness by life and by word to the truths of Holy Scripture and to seek to proclaim the gospel to all mankind (Mark 16:15; Acts 1:8; II Corinthians 5:19, 20).

Concerning Eternal Life & Judgment: We believe in the bodily resurrection of all men, the saved to eternal life, and the unsaved to judgment and everlasting punishment (Matthew 25:46; John 5:28, 29; 11:25, 26; Revelation 20:5, 6, 13).

Concerning Christ's Return: We believe, according to Scripture, in the pre-millennial return of the Lord Jesus Christ; that this second coming will be a literal, bodily, personal appearance to the earth; that His coming for His Bride, the Church, precedes the Tribulation and constitutes the "Blessed Hope" set before us, for which we should be constantly looking (Matthew 24:27, 30, 44; John 14:1-3; I Thessalonians 1:10; 4:13-17; Revelation 19:11-19).

Accreditation

Appalachian Bible College is accredited by The Association for Biblical Higher Education (ABHE) (www.abhe.org) and The Higher Learning Commission (HLC) (www.hlcommission.org), and is recognized by the Council for Higher Education Accreditation (CHEA).

ABC's Elementary Education major has "approved program status" with the West Virginia Department of Education for the certification of teachers.

In addition, the College is approved by the West Virginia Department of Education to grant the Associate of Arts in Biblical Studies (A.A.), the Bachelor of Arts in Bible and Theology (B.A.), and the Master of Arts in Ministry (M.A.).

The College is listed in the current edition of the U.S. Higher Education Directory, is recognized by the Selective Service System, is approved by the U.S. Department of Justice for the education of non-immigrant alien students, and is qualified by the West Virginia Division of Vocational Rehabilitation for the education of those receiving rehabilitation assistance.

For more information about Appalachian Bible College accreditation, you may write or call the accreditation agencies listed on page I. To file a complaint with any of these agencies, please visit the Accreditation page on ABC's website.

History

Appalachian Bible College began in September, 1950, when Rev. and Mrs. Lester Pipkin joined Rev. and Mrs. Robert Guelich in conducting the first collegiate-level classes in the Independent Baptist Church of Pettus, West Virginia. The Pipkins had earlier been involved in initiating a Bible Institute in Kentucky, and the Guelichs had experienced a productive pastoral ministry among mountain people. The founding couples shared a vision to train Christian workers for the southern Appalachian highlands and to provide other services that would enhance the planting and growth of vibrant New Testament churches in this region. Official incorporation came in 1954.

The College was organized as a faith mission (ABF) under the presidency of Lester Pipkin. Classes were augmented with a children's Bible class ministry in the public schools of the area, Bible camp in the summer, youth rallies, and periodic Bible conferences. Financial policies conformed to this mission concept of ministry. The ministry identified itself with the National Home Mission Fellowship in 1955 and retained that mission identification until 2002, when it affiliated with the Fellowship of Missions.

The staff's desire for a more strategic location, along with numerical growth in the student body, prompted the move to the current campus in 1956. Provision of this 95-acre tract of land near Beckley, West Virginia, without technical indebtedness, was generally considered a special act of God. Academic programs began to diversify at the new campus, with Pastoral and Christian Education courses being introduced, in addition to the standard Bible Diploma. Since students and staff were no longer limited to ministry in a single church, many more kinds of practical Christian service became available. An evening school for community outreach was also initiated.

Appalachian Bible College became an Associate Member of the Association for Biblical Higher Education (ABHE) in 1960 and was first accredited in 1967. That accreditation continues to the present. The Board of Education of the State of West Virginia approved the granting of diplomas and the Bachelor of Theology (Th.B.) degree in 1968. The Board of Regents (now the Higher Education Policy Commission), subsequently granted accreditation and authorized awarding the Bachelor of Arts (B.A.) degree in Bible and Theology.

ABC Connect and ABC's off-campus learning centers are units of the Distance Education Department within the Academic Division that endeavor to reach and equip students academically and spiritually. The online program of ABC, called ABC Connect, uses the Learning Management System (Canvas by Instructure) to provide access to recorded lectures and online resources for exclusively online students, while the off-campus learning centers utilize instruction from both ABC faculty and adjunct faculty at those sites. Double majors are now offered in Music, Missions, Elementary Education, Pastoral, Biblical Counseling, and Camping, with various concentrations within these majors. An Associate of Arts degree and a Bible Certificate program were also developed. Appalachian Bible College has the distinction of being both the first Bible College to be founded in West Virginia, and the only one to be accredited by the State. Accreditation by the Higher Learning Commission, a Commission of the North Central Association of Colleges and Schools, was obtained in 2000. A Master of Arts in Ministry degree program was begun in 2006. Approval was given by the ABHE in 2010 and the HLC in 2011 to issue an online Bible Certificate. This program is offered through ABC Connect and involves a 30-hour curriculum of Bible, Theology, and Practical Theology using a combination of video enhanced technology and text-based teaching instruction which enables students to complete the program without coming to ABC's main campus.

The official name of the institution was changed from Appalachian Bible Institute to Appalachian Bible College in 1978. This was considered a more accurate reflection of the nature of the academic program. The West Virginia State Board of Education confirmed the College's education program for "approved-program status" in 2003.

This authorizes the Elementary Education program director to recommend qualified graduates for state certification. An Enrichment Program has been developed to enable former elementary education graduates to meet state requirements for certification.

Membership in the West Virginia Independent Colleges and Universities (WVICU) was granted in 2001. This represents recognition of collegial status, as well as presenting an opportunity for scholarship assistance for students.

In 2014, at the request of the West Virginia Department of Corrections, Appalachian Bible College began offering classes at Mount Olive Correctional Complex in Fayette County. In 2018, Mount Olive Bible College was approved by the Higher Learning Commission and the Association for Biblical Higher Education as an additional location of ABC within the maximum security prison. Inmates enrolled at MOBC may earn an accredited B.A. degree in Bible/Theology and Pastoral Ministry.

Dr. Daniel L. Anderson, who is an alumnus of ABC and had first served for five years in support levels of administration, was named the second President of Appalachian Bible College in 1983.

The student body has grown from seven to nearly 300. The Faculty and Staff have increased from five to approximately 50 during the course of the College's history.

Philosophy of Education

The specific philosophy of education which forms the foundation for structuring such areas as curriculum, faculty selection, campus policies, or Christian service programs is stated in the catalog. This view of life in the educational context of ABC might be summarized in three categories: theocentric, authoritative, and servant-professional.

By theocentric, we believe that the eternal God of Biblical revelation is by self-design the source, support, and goal of all creation. God is central to His works. A proper recognition of Who He is and What He does is necessarily pervasive throughout all aspects of man's existence. This is certainly essential for the servant-in-preparation as well as for every man. Total life at ABC should be properly related to God.

Furthermore, we recognize absolute divine authority as inherent in a theocentric faith. God has disclosed His universal authority in an infallible, inerrant book, the Bible. Within the areas of authority, which the bible reveals, there are liberties to be enjoyed. Authority and freedom, therefore, are truths in balance according to the Christian faith.

The authority of Christ prescribes a liberty to live and liberty in living. The liberty of the Holy Scriptures defines a liberty of valid reasoning. The authority of the Spirit of God provides liberty for responsible behavior. The Staff and Student Handbook of the College seeks to reflect these balanced concepts. Although the infallibility of the Scriptures is not claimed for these manuals, earnest efforts are made to establish boundaries for acceptable exercise of fundamental liberties and limits compatible to our philosophy of ministry and worldview. The philosophy of education at ABC is thus Authoritative because it is Biblical.

Appalachian Bible College is a specialized undergraduate institution of higher education available to persons wishing to prepare themselves for full-time Christian service. It is a servant-professional school - "servant" in the sense of ministry motivation, and "professional" in the sense of specialization of ministry preparation. This character is expressed in appropriate definitions of purposes, curricular content, instructional focus, learning-techniques, and honest advertising. We truly believe "Life is for Service".

In summation, the educational philosophy of the College is theocentric in a pervasive way: it is authoritative in accord with Scripture, and it is servant-professional in a definitive sense.

Educational Objectives:

The following institutional objectives outline what a student of ABC should be able to do upon graduation:

1. Express without reservation that the Bible is the inspired, inerrant, and authoritative Word of God, and is the standard for faith and conduct.
2. Demonstrate mastery of essential Bible content and competence in Bible study skills:
3. Demonstrate competence in the expositional method of preaching, teaching, and writing about Biblical truth.
4. Evidence of a close relationship with Christ by consistent devotional practices, good works, irreproachable speech, and healthy interpersonal relationships.

5. Present the Gospel to the lost, clearly and eagerly, as a normal expression of the Christian life.
6. Utilize the results of formal studies in church-related Christian service.
7. Evidence appreciation of and concern for world-wide missions; and
8. Demonstrate development as a whole person-spiritually, culturally, socially, intellectually, emotionally, and physically.

Educational Outcomes:

A majority of the graduates of ABC have entered full-time Christian ministries, and an overwhelming percentage of the others are serving the Lord in their churches as lay persons. Likewise, an integral part of the Strategic Plan has incorporated goals related to achieving outcomes for both full-time and lay ministry fields by our graduates.

Core Values

Primacy of the Bible

We value a Biblical curriculum that grounds students in accurate Biblical doctrine through academic quality that will give relevance in their world, in Christian Service ministry and in daily living.

Passion for Servanthood

We value servanthood that learns to serve the Lord Jesus Christ, His Church, and the world with excellence and a humble, submissive attitude so that leadership in ministry clearly recognizes the worth of each individual before God.

Priority of the Church

We value serving through the fundamental church community and thus acknowledge that the church is God's instrument in reaching the world, both locally and globally, with the gospel of Christ.

Pursuit of a Biblical Worldview

We value serving with a Biblical worldview that recognizes the absolute authority of the Bible as the source of truth to govern believers in living as light in a dark world.

Practice of Integrity

We value serving with integrity to foster a climate of righteousness and accountability in all relationships.

Vision

The vision of Appalachian Bible College is to be a quality fundamental ministry of Biblical higher education by:

- ❖ Training students through a truth-driven curriculum and transformative co-curriculum that prepares Christlike servants who are skilled in interpreting, obeying, and proclaiming God's Word for the global spread of the gospel of the Lord Jesus Christ and the strengthening of His Church.
- ❖ Impacting the Church with Christ-centered ministries, which challenge people through God's Word to wholly follow Christ.

Mission Statement

Appalachian Bible College exists by God's grace and for His glory to educate and equip servants for the Church of tomorrow while edifying the Church of today.

Motto

...because Life is for Service has become the permeating theme and motto of Appalachian Bible College since the inauguration of Dr. Daniel L. Anderson as president in 1983.

Deriving the servant motto from both Mark 10:44 and Philippians 2:5-7, he has effectively woven its thread into virtually every fiber of ABC.

Some practical examples include:

- ❖ Challenging ABC staff to be servant models;
- ❖ Choosing an annual servant theme, e.g., Servants to the Church;
- ❖ Naming the student handbook, "The Servant's Staff;"
- ❖ Annual staff, student and alumni awards: Servant of the Year, The President's Award, and The Diakonos Award;
- ❖ Challenge for graduates to be servant leaders/models;
- ❖ Draping a servant's towel over the arm of each graduate as they exit commencement services, embroidered with words "Trained to Serve," symbolizing the mantle of the New Testament servant in John 13.

What is ABC like?

ABC is servant-centered

Being served is the ultimate goal in life—or is it? At Appalachian, we challenge you to a new way of thinking. After all, is not Jesus the One who said His purpose was not to BE served but TO serve? Our goal is to weave servanthood into how our students think and how they conduct their lives.

ABC is friendly and family-oriented

Many students say that ABC is the friendliest place they have ever been.

The size of our campus family is conducive to close relationships. Within a month after enrollment, most instructors know their students by name. As relationships are encouraged between single and married students, staff and students, and among dormitory students, life-long friendships are formed.

ABC is for those who want more than surface relationships and those who value a sense of belonging.

ABC is an active place

There is always something going on. Our Alpine Ministries annually hosts more than ten thousand guests who come for camps, conferences, retreats, whitewater rafting, climbing and rappelling, caving, and many other activities. The school year bustles with classes, music events, sports competitions, ministries, and much more!

Appalachian is a place where academics are vibrant, where faith runs strong, and Biblical slave leadership is emphasized.

ABC is local church oriented

We do not have a campus church. Every week students and staff are scattered throughout the Beckley area in more than twenty Bible-believing churches. New students are given the opportunity after enrolling at ABC to choose a church. Students are then encouraged to become actively involved in the ministries of that church and develop relationships with the church family. All Sunday and Wednesday services are required attendance, reported weekly. A weekly Practical Christian Service ministry is also required.

ABC is uniquely missions-focused

One of the distinctive qualities of Appalachian Bible College is our high profile on missions. The key to this emphasis lies in the unique design of our ministry as a home missions ministry, under the auspices of Appalachian Bible Fellowship. From our inception in 1950, we have demonstrated our commitment to be accountable to the local church as our missionary staff raise 50% of their salary in missionary support.

ABC is independent

We are not connected with any denomination or governing organization. Most of our students come from independent Bible and independent Baptist churches.

ABC is governed by a quality Board of Directors and supported voluntarily by churches and individuals.

ABC believes Biblical principles should regulate behavior

We are responsible to glorify God personally and in our actions. We are committed to an individual lifestyle that reflects a good testimony before both believers and unbelievers. We feel strongly about graduating students grounded in sound, Biblical doctrine, who possess demonstrated Christian character and maintain the heart of a Biblical slave.

Location and Facilities

Appalachian Bible College has been on its present site since 1956. The Appalachian Bible Fellowship currently owns approximately 150 acres. Situated at the junction of U.S. Route 19 and West Virginia Route 16, and adjacent to the North Beckley exit of Interstate 77, the community of Bradley is three miles from the city of Beckley, which has a population of around 20,000. This location provides purchasing, employment, and Christian service opportunities to the staff and students. Easy access to shopping malls and community services makes our location very convenient. The Greater Beckley area also provides good access to Christian elementary and secondary schools, as well as multiple fundamental churches for our staff and students to attend and serve.

The main campus includes thirteen major structures, five individual residences, townhouses for student housing, as well as maintenance buildings, athletic facilities, and Alpine Camp units.

Pipkin Hall currently houses the President's suite along with offices for the Academic, Business, and Development Divisions. The Van Puffelen Library, containing nearly 44,000 volumes, the Ryrle Periodical Reading Room, the Chesley Computer Laboratory, and the Oliver Board Room are also located in this building.

Des Plaines Hall can provide housing for 90 female students with rooms averaging two students each. This building also contains a head resident apartment, lounge, and kitchen.

McCarrell Hall is a four-story dormitory capable of housing 110 male students, two per room. A head resident apartment and lounge areas are included in this building.

Pinter Hall serves as a faculty office area with a conference room. Upstairs is a 3-bedroom apartment that is primarily under the jurisdiction of the Admissions Department and used for campus guests.

Gilmore Gymnasium/Conference Center includes a lobby/lounge area, locker rooms, stage, and collegiate size basketball court with bleacher seating for approximately 450. The air-conditioned conference center area in this building includes a kitchen and dining room for approximately 125. A classroom, fitness center, and coaching offices are also located in this building.

The 3-story, 42,000 square foot **Servant Center** contains dining and food preparation facilities for 500, private dining area seating 75, student lounge and snack area, four classrooms, offices for student deans and counselors, conference room, campus health center, the ABC Coffee Shop, and mail handling facilities.

Appalachian Village is a married student complex containing twenty-four 3-bedroom townhouse units and a fenced-in playground area. Two multi-purpose housing units, Van Puffelen and Kennedy Halls, can be adapted as needed for single student, married student, or staff housing.

The **John Camp Maintenance Workshops** are arranged in a compound, with areas designated for carpenter shop, mechanic garage, wilderness camping garage, and storage.

Hoops Hall is a 3-story residence hall currently accommodating 60 students (2 per room), with additional space in an unfinished ground-level floor. This facility includes an apartment for a resident manager, along with 3 student lounges, laundry/storage facilities on each floor, and designated handicapped accommodations. A beautiful landscaped garden area featuring a custom, functioning sundial enhances this building.

Barker Hall serves as an academic facility for the Elementary Education Department. It features offices for the education faculty as well as a state-of-the-art instructional laboratory.

The Extension Ministries Division of the College operates **Alpine Lodge** and four all-season cabins accommodating 25-30 persons each, plus facilities such as headquarters building, swimming pool, small lake for water sports, open-air picnic shelter, Welker Pavilion, various ropes courses, indoor and outdoor climbing walls, and other recreation areas. House is a log cabin that serves as headquarters for Outdoor Education (Truth Revealed through Environmental Education).

Admission Requirements

Entrance

Those who are accepted as students into the educational programs of the College are chosen on the basis of their Christian testimony and scholastic ability. Applicants should possess good Christian character and potential for ministry.

Applicants are required to give evidence of having trusted the Lord Jesus Christ as Savior at least six months before enrollment, and possess a desire to share the Gospel with the lost. Applicants must provide testimony of abstinence from the use of tobacco, alcohol, and illegal drugs for at least six months immediately prior to enrollment. Spouses of married applicants are required to furnish similar information.

Applicants are asked if they are in agreement with ABC's doctrinal statement and agree to abide by the Lifestyle Commitment requested of ABC students during their time of enrollment.

Education

High school graduation or the equivalent (GED) is required for admission. A minimum final high school GPA of 2.25 (as evidenced on the final high school transcript), is necessary for acceptance. A lower GPA will be considered for provisional acceptance. Anyone successfully passing the GED satisfies the high school graduation requirement.

Applicants who have been homeschooled are welcome and must also submit a transcript listing courses taken and grades earned, verifying that a definite curriculum was followed, or earn a GED diploma. A copy of our homeschool transcript example is available upon request.

Tests (ACT/SAT/CLT)

Applicants are required to take the American College Test (ACT), www.act.org, or the Scholastic Aptitude Test (SAT), www.collegeboard.org, or the Classical Learning Test (CLT), and have results submitted to the Admissions Office. The Appalachian Bible College code for reporting ACT results is: 4507. The SAT code is: 7305. Transfer students with a minimum of 24 transferable credits from an accredited college are exempt from submitting ACT/SAT scores.

Tests (CLEP/AP)

Appalachian Bible College participates in the College Level Examination Program (CLEP), www.clep.collegeboard.org, and Advanced Placement (AP), www.apstudent.collegeboard.org, programs of the College Entrance Examination Board. The College will grant credit for certain applicable courses when acceptable scores are achieved for courses and/or examinations. A maximum of 28 hours may be earned through the CLEP program and a maximum of 12 hours through the AP program. More information on CLEP and AP policies at Appalachian Bible College may be obtained by contacting the Registrar's Office.

Marriage and Divorce

Students married for less than two months need special permission to enroll.

Persons who have been divorced, or married to a spouse previously divorced, must submit with their application, a statement regarding the circumstances of their divorce and family situation. Applicants in this situation are automatically sent a copy of ABC's policy on divorce and remarriage, which is also available upon request.

How to Apply

To begin the application process, submit an electronic application (apply.abc.edu) or print a paper application to be mailed.

Applicants will receive Final Acceptance when all papers and fees have been received and approved.

Credentials presented to ABC by applicants become the property of the College and will not be returned.

When to Apply

Early application is advisable, especially for single resident students and married students desiring campus housing. The summer before, or early fall of your high school senior year, is an ideal time to submit your application. We do, however, accept applications throughout the summer months prior to the opening of Fall Semester classes.

We encourage enrollment during the Fall Semester. Some subjects are offered in Fall/Spring cycles, making irregular schedules for those entering the Spring Semester, which may extend the time for completing your program.

Transfer Students

Transfer students follow regular admission procedures. In addition, official transcripts of all previously earned college credits must be submitted before Final Acceptance can be granted. Normally a minimum cumulative GPA of 2.00 (as evidenced on individual college transcripts) is necessary for acceptance. These transcripts will be evaluated by the Registrar to determine transfer credits.

Transfer Credit Policies

All transfer students must spend a minimum of two semesters as full-time students at ABC to receive either the A.A. or B.A. degree, regardless of the number of credits earned elsewhere. In some cases, students who have completed quarter hours of courses from an institution other than ABC may be required to take or audit a course(s) or segments of a course(s).

Transfer credit will normally be granted for courses which have been evaluated to be equivalent (in content or educational philosophy/purpose) to those offered at ABC; completed with a 2.0 GPA or higher; and taken at an accredited institute, college, or university. The credit hours that are accepted from another institution toward the student's educational program will be counted as both attempted and completed hours.

College credits from non-accredited undergraduate institutions may be transferred to Appalachian Bible College on a provisional basis. Provisions include:

1. Two (2) semesters (24 credit hours) of enrollment at ABC, and
2. A minimum of 2.0 cumulative ABC GPA at the conclusion of 24 credit hours attempted.

Until completion of these 2 semesters (24 credit hours), all potential transfer credits (classes passed with a minimum of 2.0) will be considered “provisional.”

Upon satisfactory completion of the above provisions, applicable credits will then be officially transferred to ABC by our Registrar. Upon unsatisfactory completion, no credits will be transferred.

Military credit for military training and experience may be awarded on a limited basis. Military courses will be evaluated by the “American Council on Education’s Guide to the Evaluation of Education Experience in the Armed Services.”

Life experience credit is available at ABC. Up to nine credit hours may be awarded to those who have completed three or more years of full-time vocational Christian ministry. Each course must be “challenged” by means of a formal paper dealing with the course’s syllabus and the student’s learning experience.

A detailed description of all transfer policies is available upon request from the Registrar.

International Students

ABC is approved by the U.S. Department of Justice, U.S. Citizenship and Immigration Services (USCIS) for the training of international students and the granting of the Form I-20, for an F-1 Student Visa.

International applicants are encouraged to visit <https://studyinthestates.dhs.gov> to learn more about the process of coming to the United States to pursue a degree. All international applicants must demonstrate proof of proficiency in the English language by achieving minimum scores on one of the following tests:

Required Scores for Admission:	Undergraduate	Graduate
International English Language Test (IELTS)	6	6.5
TOEFL iBT	59	80
Duolingo English Test	90	105
Pearson Test of English (PTE) Academic	46	58

An official copy of scores must be submitted to the college. Alternatively, if English is the official language of the home country of an international student, he/she may take the ACT (act.org) or SAT (collegeboard.org) and have an official copy of the scores sent to the college. The Appalachian Bible College code number for the TOEFL is: 9834. The College offers a \$5,000 per year International Student Scholarship for all who qualify. All other financial resources must be arranged by the international student, whether it be verification of personal resources or resources of a sponsor who accepts full financial responsibility for the student. Verification of available funds for at least two semesters requires an official bank statement for the student and/or sponsor plus an affidavit of support, Form I-134 (when a sponsor is involved), before the I-20 can be issued.

International students are required to pay a \$2,000 USD deposit on their account before the I-20 is issued. International students must know the currency exchange rate for their country in order to have the correct amount. All amounts must be paid in United States funds drawn on a U.S. bank. Currency exchange rates are

available at most banks. The USCIS does not grant permission for off-campus employment during the first year of enrollment and only does so thereafter when an extreme, unexpected change in financial circumstances can be verified. Plans for employment do not affect the required deposit or verification of financial resources.

Non-Discriminatory Policy

Appalachian Bible College admits students of any race, color, national or ethnic origin, physical handicap, or age to all the rights, privileges, programs and activities generally made available to the students of the College. It does not discriminate on the basis of race, color, national or ethnic origin, physical handicap, or age in administration of its educational policies, financial aid opportunities, admissions policies, employment practices, athletic, or other school-administered programs.

Special Admissions

Students who have un-enrolled for one to four semesters or more need to submit a re-application form along with a new Pastor's Reference Form and pay the \$35 application fee.

Returning alumni (students who have been un-enrolled for more than 4 semesters) need to complete and submit a new application and fulfill the admission requirements as if a first-time student to the College.

High school students and commuters who desire to enroll in four credit hours or fewer and are not enrolled in a certificate or degree program are not required to complete the entire formal application process. Short Form Application is available on the website: abc.edu/form/short-form-application. Pastor's Reference Forms and Student Medical Reports will be required alongside the Short Form Applications before students may begin taking classes.

Campus Visits

You are welcome most anytime! While we do not require a campus visit of our applicants, we highly recommend it. Prospective students are welcome to visit individually, with parents, or in groups. Visits, tours, and overnight dorm accommodations must be arranged through the Admissions Office. abc.edu/visit.

Individuals and couples are asked to request a visit at least a week in advance, while groups should make arrangements, if at all possible, two weeks prior so that accommodations can be arranged and classes scheduled. If you are just driving through the area, we are usually available to give you a quick tour on short notice.

College Preview Events are scheduled each year. In addition to regular activities such as class, meals, devotions, and chapel, Preview Events include special events such as the Spring Music Festival or IMPACT youth conference.

Application Procedures

These instructions explain the various components required for admission to Appalachian Bible College. To make the process more efficient, just check off each item as you complete it.

Application & \$35 Fee

The application may be completed online or a paper application may be printed and mailed to the Admissions Office. A fee of \$35 must be submitted with the application.

References

Reference forms provided by the College must be completed. A “Pastor’s Reference” is requested from the applicant’s pastor or youth pastor. In the event that the applicant’s pastor is a relative, another church leader may complete the reference form. A “Mentor’s Reference” is requested from a teacher, coach, supervisor, or another person in the church that is not related to the applicant and can evaluate the applicant’s character.

Transcripts

A copy of all high school and college transcripts must be sent to the Admissions Office, even if a college course will not apply as transfer credit. Any dual enrollment credits must include an official college transcript to receive an acceptance decision and to receive college credit. Partial transcripts may be sent to receive an acceptance decision and the final transcripts must be sent to be granted Final Acceptance. The GED test may also be used for admission. Military personnel should obtain a copy of your official military transcripts, and all other post-secondary credits for us to review for transfer credit.

Test Scores

Either the SAT (code: 7305) or ACT (code: 4507) or CLT may be submitted as admissions requirements. The minimum ACT composite score is 17; the minimum Old SAT composite score (CR+M+W) is 1230, and the minimum 2016 SAT composite score (CRW+M) is 910; the minimum CLT is 57.

A small percentage of applicants who do not meet minimum academic standards may be provided with a provisional acceptance and placed with one or more of the following provisions: enrollment in the College’s HELP Program, limited credit hours, registration in a remedial Basic English Course not for college credit, and/or an end of semester evaluation.

When we receive your completed paperwork from the four categories listed above, you will be evaluated for Initial Acceptance. If everything is in order at that point, you will then receive a letter of Initial Acceptance. Completing the deposit will then qualify you for Final Acceptance.

Deposit

To confirm your intention to enroll, you must submit an Enrollment Confirmation Form, \$100 deposit and any paperwork still needed by Admissions. Before Final Acceptance is given, we must have your deposit and all outstanding admission requirements on file. You will be notified by letter of your Final Acceptance.

Financial Aid Policies

Since ABC operates under the auspices of Appalachian Bible Fellowship (ABF), a home mission organization, faculty and staff are responsible to raise 50% of their salary in missionary support. Support from faithful churches and friends helps keep costs low.

The same federal and state financial aid available at public institutions is also available to students at Appalachian Bible College. Completing the Free Application for Federal Student Aid (FAFSA) is the first step in applying for financial aid. This can be done electronically at studentaid.gov.

The Director of Financial Aid is available year-round to answer questions, assist students and parents in completing forms, and determine what aid is available.

While scholarships, grants and loans are available to those who qualify, they are merely supplemental. The primary responsibility for payment rests with students and their families.

Financial Aid Process

1. Complete ABC's Financial Aid Application
2. Complete the Free Application for Federal Student Aid (FAFSA) - use ABC's school code 007544.
3. After receiving your application(s), the Financial Aid Office (FAO) will determine if additional information is required to complete your Financial Aid Package. If so, you will receive a "Missing Documents" letter by email.
4. You may receive a "Financial Aid Estimate" letter before packaging is complete to give you an idea of how much aid to expect.
5. Once all of your required documents have been received and reviewed, your Financial Aid will be processed and a "Financial Aid Notification" letter will be sent by email notifying you of the actual aid you can currently expect to receive. This aid level may change during the school year as aid is updated, and a new Financial Aid Notification letter will be sent by email at that time.
6. Funds will be applied to your ABC Student Account in the Business Office according to the disbursement schedule, which typically begins a few weeks after the first day of class.

Enrollment Status for Undergraduate Students

The student's Financial Aid Package is recalculated anytime up to 60% of the semester completed, based upon change in enrollment status and/or number of credits attempted:

- ❖ Full-time: 12 or more credits per semester
- ❖ Part-time: 1 to 11 credits per semester

Financial Aid Budget

To determine the amount of aid a student is eligible for, a Financial Aid Budget is calculated based on various criteria (e.g., academic load, housing, etc.). Some of the items in the FA Budget are based on actual costs that will be billed by the College, and other items are estimated costs you may incur, but will not be billed. The budget categories include:

- ❖ Tuition & Fees
- ❖ Living Expenses
- ❖ Books, Course Materials, Supplies, and Equipment
- ❖ Miscellaneous Personal Expenses
- ❖ Transportation

The budget amounts will be listed on the Financial Aid Notification letter. “Cost of Attendance” recalculation during the semester will recalculate Federal and Institutional eligibility for aid.

Satisfactory Academic Progress

To retain eligibility for student aid, the student must maintain Satisfactory Academic Progress (SAP). The ABC Financial Aid Office uses the same SAP policy as the Academic Office. According to the SAP policy, students who reach Temporary Academic Suspension will no longer be eligible for financial aid until they have re-attained good academic standing.

Occasionally, a student's academic progress may be impacted by unusual circumstances that are beyond the student's control. A student may appeal for an extension of financial aid after a period of Financial Aid Warning, if the student can document that unexpected, unusual, and temporary circumstances affected the student's ability to progress at the required rate. Examples of such mitigating circumstances are a death in the immediate family, illness, or other significant life change. Students must make the appeal in writing to the FAO explaining why they failed to make SAP, explaining what has changed in the student's situation that will allow them to meet SAP requirements at the next evaluation, and providing any supporting documentation. The appeal will be reviewed by the Student Finance Committee and the student will be notified of the committee's decision.

Dependency Status

A student's status as “dependent” or “independent” is based on Federal Financial Aid Guidelines each school year.

State Aid Programs

Appalachian Bible College currently accepts state grant funds from West Virginia, Pennsylvania, and Vermont. Check your state's guidelines and requirements online to see if they can be used at ABC.

West Virginia Higher Education State Grant Program

Students from West Virginia are eligible for grants under the West Virginia Higher Education Grant program. These grants are awarded in annual amounts up to \$3,400 per academic year. In order to be eligible for this program, a recipient must:

3. Is a West Virginia resident for at least 12 months prior to date of application;
4. Is a U.S. citizen or permanent resident thereof;
5. Is enrolled or accepted for enrollment part-time in a program of study at less than the graduate level with a goal of attaining a certificate, an Associate degree, or Bachelor degree.

The student must be making academic progress and not be in default on a student loan. Must complete FAFSA by the PA State deadline of May 1 and also any state application required. See www.pheaa.org for more information.

Vermont Student Assistance Corporation

Vermont Grants are available to Vermont residents through the FAFSA and an application. Grant amounts vary by student and by year, depending on available funding. The amount you receive will depend on your financial need, total cost of attendance at your college of choice, and the timing (applications are considered on a first-come, first-served basis as long as funding is available. See www.VSAC.org for more information.

Federal Aid Programs

Appalachian Bible College is certified by the U.S. Department of Education as being eligible to participate in the Pell Grant program, the Federal Supplemental Education Opportunity Grant program, the Federal Direct Loan Program, and the Federal Work Study Program. The U.S. Department of Education sets specific criteria to determine the eligibility and amount of federal aid a student may receive. Details can be found at www.studentaid.gov. If your current income status has significantly changed from the prior year's income data reported on your FAFSA, contact the FAO. ABC's Financial Aid Office (FAO) complies with all federal regulations related to the awarding, disbursement, and return of federal student aid.

Federal Pell Grant

This program provides federal funds for students from families which qualify. Apply through the FAFSA (Free Application for Federal Student Aid). These grants may range up to thousands of dollars for eligible students. Apply online at www.studentaid.gov. ABC school code: 007544.

Federal Supplemental Educational Opportunity Grant (Seog)

This is a grant that ranges from \$100 to \$4,000 and is for students with exceptional financial need. It is available through the FAFSA; no additional application required.

Federal Direct Student Loan Programs

This program provides federal loans for students through the FAFSA. There are several kinds of loans, all with varying interest rates and repayment schedules. The process for applying for a loan begins with the completion of the FAFSA. Students may indicate their desire for loans on the ABC Financial Aid Application, an ABC Loan Request Form or by notifying the FAO. Before a student can receive loan funds, they will be required to complete Entrance Counseling and sign a Master Promissory Note (MPN). See studentaid.gov for more information.

Students who have received a Direct Loan are required by the U.S. Department of Education to complete Exit Counseling upon withdrawing, dropping below half-time enrollment, or graduating from their program of study. Exit Counseling provides information about rights and responsibilities as a borrower, including information about various repayment plans and deferment or forbearance options that may be available if you are unable to make a payment. Exit Counseling is provided online at studentaid.gov.

Federal Direct Subsidized Loan: Required repayment and interest accrual begins six (6) months after you cease to be a student or fall below half-time (6.0 credit hours). The interest rate is fixed. Depending on your need (determined by the Dept. of Education through the FAFSA), you may borrow up to:

- ❖ \$3,500, if you are a first year undergraduate
- ❖ \$4,500, if you have successfully completed the first year of undergraduate work (2nd year)
- ❖ \$5,500, if you have successfully completed the first and second year of undergraduate work (3rd, 4th, and if applicable, 5th year).

The maximum Subsidized Loan debt you can have outstanding as an undergraduate is \$23,000.

Federal Direct Unsubsidized Loan: Required repayment begins six (6) months after you cease to be a student or fall below half-time (6.0 credit hours); however, the interest is either paid by the student during the period of study or added to the loan principal to be paid by the student during the repayment period. The interest rate is fixed. Combined with the subsidized Federal Direct Subsidized Loan described above and depending on your need, you may borrow combined subsidized and unsubsidized funds as a dependent, up to:

- ❖ \$5,500, if you are a first year undergraduate
- ❖ \$6,500, if you have successfully completed the first year of undergraduate work (2nd year)
- ❖ \$7,500, if you have successfully completed the first and second year of undergraduate work (3rd, 4th, and if applicable, 5th year).

Different limits apply to dependent and independent students.

Federal Direct PLUS Loan: This loan for parents of a dependent student begins repayment once the loan is fully disbursed to the student's account. However, parents may request a deferment while their student is enrolled at least half-time and for an additional six months after their student graduates, leaves school, or drops below half-time enrollment. The parent may borrow an amount up to the cost of attendance less any financial aid the student receives.

Federal Work-Study (Fws)

Federal Work-Study provides subsidized part-time employment for undergraduate students with financial need, giving them an opportunity to earn money to help cover their educational expenses, such as tuition and books, as well as providing them with positions that complement their educational programs or career goals, whenever possible. To be eligible for work-study employment, students must be in good academic standing and have demonstrated financial need. Appalachian Bible College provides as many work-study positions as funding allows. FWS jobs are on a first-come, first-served basis.

Vocational Rehabilitation

Financial assistance and program counseling are provided by most states to assist disabled individuals to return to productive activity. Contact the Division of Vocational Rehabilitation in your area for further information.

Children Of Fallen Heroes Scholarship Act

A Pell-eligible student whose parent or guardian died in the line of duty while performing as a public safety officer is eligible to receive a maximum Pell Grant for the award year for which the determination of eligibility is made. In addition, the student's eligibility for Direct Loans and for Campus-Based program aid must be based on a Student Aid Index (SAI) of zero. Contact the Financial Aid Office for more information.

Veteran's Benefits

Those eligible for veteran's benefits should contact their Veteran's Service Office to obtain a letter of eligibility. ABC's VA Representative should also be notified: va@abc.edu

National Guard Tuition Benefit

Those eligible for tuition benefits should contact their regional National Guard unit. ABC's VA Representative should also be notified: va@abc.edu

Federal Verification: After completing the FAFSA, some students are selected by the U.S. Department of Education for a process called "Verification." If selected for verification, the student and/or parent(s) will be required to submit additional documentation to verify the information submitted on the FAFSA. The student will be notified through the Missing Documents Letter if it is necessary to submit this information. It is **STRONGLY ADVISED** that all items listed are submitted before April 15th of the school year to ensure that Federal Aid can be disbursed before the end of school. Federal Aid **WILL NOT** be released until all Required Documents have been approved by the Department of Education, as per Federal deadlines. Any change in aid will be reflected in an updated Financial Aid Notification letter. As per Federal Guidelines, misreported information or altered documentation to fraudulently obtain federal funds will be reported to the Office of Inspector General.

Change in Academic Status/Withdrawal: If a student has any change to their academic status (course load, change in program, housing, etc.), they must notify the FAO immediately. Any change may result in an adjustment of their Financial Aid. If a student withdraws from ABC or stops attending classes, federal regulations require the FAO to apply a formula established by the U.S. Department of Education, entitled "Return of Title IV Aid," (R2T4) to determine the amount of federal financial aid a student has earned as of the student's official or unofficial withdrawal date. Once the official date of withdrawal has been determined by the Registrar's Office, a percentage of days attended will be calculated using R2T4 calculation, and the Business Office will be notified. All Federal and institutional aid will be prorated and adjustments will be made to the student's account. Title IV funds will be returned in the following order: Unsubsidized Direct Loans, Subsidized Direct Loans, Direct PLUS Loans, Federal Pell Grants, Iraq & Afghanistan Service Grants, FSEOG, TEACH Grants, if applicable, as soon as possible, but no later than 45 days after determining the student has withdrawn.

The amount of federal financial aid returned to federal aid programs is determined by the amount of time a student spends in academically related activity. After 60% of the term has passed, students have earned 100% of the federal financial aid disbursed to them. The student has the option to accept or decline some or all of Federal funds; Borrowers have an obligation to repay any loan funds disbursed as well as return any funds that have resulted in an overpayment.

Post-withdrawal disbursements will be handled in accordance with Federal Guidelines. Title IV funds that the student has earned but have not been disbursed will be handled as follows: Grants will be disbursed within 45 days; Loans will be offered to the student within 30 days, allowing the student 14 days to respond to accept or decline the funds (no response within the 14 day period is equal to declining the funds). All post-withdrawal disbursements are applied to the student account first, and any resulting credit balance will be paid no later than 14 days after the withdrawal calculation of R2T4.

Study Abroad or Study at Another Institution: Enrollment in certain programs of study at another school or study abroad approved for credit by Appalachian Bible College may be considered enrollment at the College for the purpose of applying for assistance under the Federal Title IV financial aid programs. For students to access federal financial aid, a Consortium or contractual agreement is required between the schools whereby the home school disburses federal aid for courses taken at a host school. The host school agrees not to disburse federal aid and to monitor the student's enrollment for the home school. Consortium agreements may be made between Appalachian Bible College (home school) and a host school if the student has been approved by Appalachian Bible College to take coursework at the host institution that will fully transfer towards the Appalachian Bible College degree program. Students must also meet all other federal eligibility requirements. If the student is approved for a consortium agreement by Appalachian Bible College, ABC will disburse federal aid to the ABC Business Office who will pay the host institution. Please contact the ABC Academics Office for more information.

Outside Aid

ABC accepts all types of Outside Scholarships and Aid from other sources. Students are encouraged to look for additional aid through legitimate banks and businesses, especially in the student's hometown. Many organizations offer student scholarships, for which you may be eligible. With a little bit of effort, you may find some additional financial aid resources. One important point to remember is that you should never have to pay to apply for a scholarship. Be careful to ensure any scholarship offers come from a reputable source. Students must notify the ABC FAO of any aid awarded from sources not shown in your Financial Aid Notification letter. This aid may need to be applied to the Student's Financial Aid as well and may result in an adjustment of other aid.

Institutional Scholarships

The ABC Financial Aid Application is the form used to apply for these scholarships. Other documents may be found at: abc.edu/forms/financial-aid

REQUIREMENTS: Each scholarship and discount carries its own qualification requirements, but the following are conditions common to ABC-sponsored assistance.

- ❖ Must be full-time, undergraduate student unless noted otherwise.
- ❖ Must maintain Satisfactory Academic Progress unless noted differently.
- ❖ The total institutional aid must not exceed the sum of tuition, room & board, select fees, and the Financial Aid budget for books, minus the sum of non-institutional aid. The ABC scholarship with the highest amount will be reduced if this total is exceeded. $\text{Max Institutional Aid} = \text{Tuition} + \text{Room \& Board} + \text{Select Fees} + \text{Books} - \text{Non-Institutional Aid}$
- ❖ Eligibility for renewable aid will be reviewed at the end of each semester.

Scholarship and forms deadlines: Fall – Sept. 15; Spring – Jan. 15.

Employment

Employment is available on and off campus. Complete the online application for employment on campus: abc.edu/form/student-emp-app. There are also many businesses in the surrounding area that employ ABC students. Crossroads Mall is within walking distance of our campus, making employment possible for students without transportation.

Student Life

Appalachian Bible College recognizes that a Christian education is much more than attending classes, doing homework, reading the Bible, and making grades. We are concerned about the development of the whole student—spiritually, intellectually, and socially. Therefore, we design and provide opportunities outside of class for additional growth in these areas.

Social Life

There are numerous opportunities for the development of the student's social life on the campus of Appalachian Bible College.

Yearly social events include a So Long to Summer Fest, Christmas Banquet, Junior/Senior Banquet, and other festivities. The College periodically provides recitals by music students for the students' enjoyment and enrichment.

Local churches and other area organizations often sponsor social activities that are wholesome entertainment for students.

Athletics – Intercollegiate

Warriors and Lady Warriors

The College promotes intercollegiate sports for both men and women. Besides being a good diversion from the rigors of study, athletic involvement affords a splendid opportunity for Christian testimony before opponents and among teammates.

Appalachian Bible College is a member of the National Christian College Athletic Association (NCCAA). ABC teams are in division two (Div. II) which is comprised of Bible colleges and non-scholarship (athletic) schools.

Soccer commences at the beginning of the Fall Semester. This intercollegiate sport is available to all men, including entering freshmen.

Basketball is a popular intercollegiate sport for men and women on campus. Games are scheduled throughout the winter months.

Volleyball is an intercollegiate sport for women students. The Lady Warriors' season overlaps with men's soccer, and continues through the first of November.

Athletics – Intramural

Several intramural sports (e.g., basketball, dodgeball, and volleyball) are available to all students.

Leadership Opportunities

Student Council is composed of students who are elected annually by their peers and is responsible for maintaining, coordinating, and harmonizing various student activities. It also promotes an attitude of cooperation among the students, faculty and administration by serving as a voice for the student body. Two members of the Student Council may serve on the Dean's Council relating to disciplinary matters.

Classes (Freshman, Sophomore, Junior, and Senior) are constituted by grouping students according to academic hours completed. Class meetings occur regularly. Classes are responsible for planning socials, sponsoring activities and promoting leadership skills.

Missions in Action meets throughout the academic year to challenge, motivate, and make the campus body aware of the needs of missions. It strives to encourage and develop a passion for direct and/or indirect involvement in world missions, and to pray for missionaries and the spread of the Gospel around the world.

Missions Conference is annually conducted utilizing the student body under the supervision of the President's Office and the Missions Ministry Major Chair. As part of the academic program, this event seeks to provide practical experience for students in designing, preparing, organizing, and executing a full-fledged conference, and generate a concern and commitment to participate in some facet of world missions.

Periodic **Missions Trips** give students opportunities to experience and lead various cross-cultural ministries.

Puppet Team (King's Characters) is comprised of students who are interested in teaching the Bible to children and others through the medium of puppetry. Christian Service credit is given for participation in this group.

Drama Team (Salt & Light) is composed of students interested in conducting dramatic ministries in local churches and youth groups. Christian Service credit is given for participation in this group.

Student Wives Fellowship is sponsored by one of our staff wives and is designed to be a profitable learning and fellowship experience, helping prepare wives for ministry alongside their husbands.

Resident Assistants in each residence hall are paid to supervise, provide peer counseling, and otherwise assist dorm residents. These RAs are chosen for their spiritual maturity, leadership ability, willingness to learn, and interpersonal communication skills. RAs are required to enroll in a credit class called Leadership and Counseling Practicum, under the direction of the Dean of Students.

Alpine Ministries, a Bible camp, outdoor adventure, and retreat ministry of ABC, trains and employs students in such roles as Adventure Guides and Camp Counselors.

Music Opportunities

There are numerous opportunities for students to minister through music. The Chorale, Jubilate Handbell Choir, Chapel Orchestra, Magnify ministry team, and Gospel Heralds ministry team are open to all students by audition. Chorale, Gospel Heralds, Magnify, and Jubilate participants receive academic credit for their work. A limit of four hours may be applied towards required electives.

Traveling is usually part of the performance schedule. Programs are presented in churches, schools, mission works, prisons, and open-air meetings, as well as on campus. It is our desire that these music groups be exemplary in both selection and performance of music. All of the music groups are open to students of any degree program.

Chorale is composed of about 40 students. Participants are chosen by audition. Programs are devoted to quality, conservative, Christian music. Ministry opportunities include a tour during spring break and additional performance events throughout the year.

Jubilate is composed of approximately ten students who perform handbell and handchime arrangements, chosen by audition. Jubilate performs during the Christmas and Spring Music Festival concerts on campus. The usual tour will occur at the end of the school year.

Magnify ministry team is an ensemble of 6-12 vocalists and an accompanist. Participants are chosen in early fall and begin rehearsing so they can start ministering by late January. This music ensemble is designed to minister in churches nearby during the school year. Concurrent Chorale membership is required; 1 credit hour is given for the two-semester ministry commitment.

Gospel Heralds is a mixed ensemble made up of 6-8 vocalists and an accompanist. Selection of members is made by audition during the Fall Semester. This group rehearses during the Spring Semester. They travel throughout the United States during the summer months, representing the College by giving concerts in churches, camps, and conferences. Concurrent Chorale membership is required. Each student receives a regular salary and travel expenses during the traveling weeks. Summer ministry is approximately 10 weeks.

Chapel Orchestra is an instrumental group that accompanies the congregational singing during campus chapel services, accompanying the Chorale for certain concert selections as well as performing orchestral repertoire. Music students taking instrumental lessons for credit are required to participate.

Student Services

Health Services

The College provides an on-campus health clinic. A contractual agreement with a local health clinic provides medical care, various diagnostic tests, x-rays, and other medical needs, for a modest fee. Every student is encouraged to have hospitalization and emergency insurance coverage through a personal family program or membership in a recognized health care sharing ministry.

H.E.L.P. Program

How to Expand Learning Proficiency (HELP) is a special testing, tutoring, and counseling program provided for incoming students with low ACT scores, low high school grade point averages, and/or other problems indicating a need for special help. This program has been of real value to new married students, international students, and those with special academic or social needs.

Food Service

Cafeteria style meals are prepared and served from our own kitchen in the Hanmer Dining Room.

Residence hall students are charged for the meals on a per semester basis. Many students are hired by the College to work with the food service as they provide twenty-one meals per week each semester. Married students, staff, and guests may purchase individual meals at the door.

Spiritual Life

The most important aspect of a Christian's life is his/her relationship with Jesus Christ. At Appalachian Bible College our desire is to foster and encourage you in a personal walk with God. Our desire is to mold and develop godly, mature servants.

Resident students participate in Checkmates, a program designed to provide fellowship and accountability with other dorm students. A variety of regular opportunities are provided to be in the Word of God—chapel, prayer groups, dorm and group devotions, Bible and missions conferences, interpersonal sharing and more. Regular church service attendance is required.

Appalachian Bible College is local church oriented. We do not have a campus church. Students are given several weeks at the beginning of the school year to choose a local church. The student is then expected to be faithful to services and become involved in the ministries of that church while living in this area. In some cases, Christian service ministry assignments may determine the church attended.

Membership in a local church (or affiliation with an organized assembly which does not offer membership), either in the Beckley area or at home, is required of each student before graduation.

Christian Service

Christian service is involvement with people. You must not only learn how to communicate with people, you must do it. Appalachian Bible College provides students with actual ministry opportunities through structured field experience called Practical Christian Service. Student participation in Christian ministry is a distinctive part of their program and is required on a weekly basis.

Students report that one of the most satisfying aspects of their experience is involvement in ministry primarily in the Beckley, WV area surrounding the school.

Some examples of ministry in the local church and in community outreach are: Bible clubs, youth ministries, Sunday school teaching, music ministries, nursing home visitation, rescue mission evangelism, hospice outreach, puppet and drama teams, homeless shelter and many more.

Each student's academic advisor along with the Practical Christian Service Director will help him/her find a ministry assignment that fits his/her experience, ability, interest, and vocation objectives.

We sincerely believe that "Life is for Service."

Standards of Conduct

At Appalachian Bible College, we believe Biblical principles should regulate our behavior. We are responsible to glorify God in our being and in our actions; therefore, we are committed to a personal lifestyle that reflects a good testimony before both believers and unbelievers.

Our student handbook, *The Servant's Staff*, sets forth policies and guidelines that we believe help in this endeavor. Some policies reflect Biblical convictions; others reflect institutional preferences. We believe that abiding by these guidelines helps enhance personal Christian growth, as well as the testimony of the College.

A sampling of these standards includes abstaining from the use of alcoholic beverages, tobacco, non-medical drugs, immoral behavior, unethical conduct, and use of unwholesome media. Another sampling of these standards includes maintaining a personal devotional life, attending chapels and church services, developing wholesome interpersonal relationships, and keeping a conscientious demeanor in performing Practical Christian Service ministry assignments.

Students may not audio or video record an instructor in the classroom without written permission from the instructor and/or the Academic VP.

For a complete explanation of our philosophy and standards of conduct for students, view the ABC student handbook, *The Servant's Staff*, at www.abc.edu, under Student Life.

Academic Information

While genuine effort is given to ensure the accuracy of statements in this catalog, course descriptions, designation of instructors and curricular/degree requirements may be subject to change without notice.

Orientation

The first few days on campus for new students are spent in orientation, registration and integration into college life before classes begin. This time is carefully planned to help students understand the philosophy of Appalachian Bible College, its policies and procedures, and how to adjust to their new surroundings.

New students to ABC are required to attend these days of orientation, as well as register to take Success Seminar (PS 107) during their first semester. This credit class builds on the beginning days of orientation and emphasizes study skills, time organization, and more.

Counseling Service

Members of the administration and faculty are available to counsel and advise students. All students are assigned an academic advisor to assist/guide in spiritual, personal, and academic areas. Personal, group and career counseling is also available through Student Services. Peer counseling is provided through the Resident Assistants.

Academic Learning Center

Academics can help provide assistance with the following by emailing: academics@abc.edu

- Paper writing and research methods
- Paper proofreading and editing
- Testing preparation
- Math assistance
- Tutoring assistance
- Encouragement in any general course content

Academic Year

The academic year consists of two 15-week semesters. The fall semester begins in late August and ends in mid-December, the spring semester begins in early January and ends in early-May, and the 15-week summer session begins in early May and ends in mid-August. ABC assigns credits in accordance with our accrediting agencies' standards and can document compliance. A full-time student is one who is enrolled in 12 credit hours or more for a semester.

Appalachian Bible College offers online courses during the year through our ABC Connect program.

Faculty

Appalachian Bible College concentrates on undergraduate Bible and church-related education. The faculty is well-qualified spiritually and academically and has been chosen for its practical experience in various fields of service.

Class Size

The student/faculty ratio averages 10/1, ensuring that many classes are small, individual attention is available, and student-faculty interaction is facilitated. Each faculty member is interested in helping students reach his/her potential.

Registration

Students are required to register for classes at the designated time each semester. Prior to completing the registration process, all students must meet with their second major Advisor to receive course schedule approval.

Auditing Courses

Courses may be audited upon approval of the Instructor and the Registrar. Requirements are limited to attendance and all required reading. An audited course will appear on the transcript with the notation AU. A course may not be switched to an audit after the one-week add period. Permission forms may be obtained in the Registrar's office.

Adding and Dropping Courses

A student may add a class to his/her schedule anytime during the first week of the semester. After that time no classes may be added to the student's schedule. Classes missed during delayed registration will be counted as absences.

Regarding quantitative and qualitative purposes: When a student drops a course during the first week of a semester, the course is removed from the student's schedule. For the next nine weeks, a dropped course is given a grade of "W" (withdrew). Thereafter, a "WP" (withdrew passing) or a "WF" (withdrew failing) will be recorded, depending upon the student's average at the time of withdrawal. A "WF" will count as an "F" for grade-point purposes. A "W" and "WP" will have no impact for grade-point purposes. A dropped applied music course is given a grade of "W" if dropped before the fourth lesson. One week before the first day of final exams of each semester is the final day to withdraw from any course.

Withdrawal Policy

To withdraw from ABC, students obtain a withdrawal slip from the Registrar's office and return the completed form to the Registrar's office. The student's instructors are notified of his/her withdrawal.

Students withdrawing from the College prior to the end of the tenth week of the semester (the drop deadline) will be given grades of "W" in all courses attempted.

Students withdrawing after the end of the tenth week of the semester (the drop deadline), will be given grades of “WP” or “WF,” according to grades earned in courses at the time of withdrawal.

Failure to properly withdraw within one week of picking up the withdrawal slip or communicating to a Student Dean the intent to withdraw, will result in all grades being recorded as “WF.”

The last day of attendance will be used in determining the withdrawal date and recalculation of charges and financial aid whether based on an official or unofficial withdrawal; the last date of submission will be used for this calculation regarding students who are solely online.

Examinations

Unit examinations and quizzes may be given at the Instructor’s discretion any time during the semester.

Final exams are scheduled during the last week of each semester. No classes meet during the final examination days. All final exams must be taken at the scheduled time unless there is a conflict. Changes allowed for the student’s convenience will be subject to a late or early examination fee.

Mid-Semester Grades

Freshmen and other new students will be issued mid-semester tentative grades for each class in which they are enrolled. Likewise, all students on Academic Alert, Academic Warning, Academic Probation, or H.E.L.P.S will receive mid-semester grades. The grade on this progress report is not recorded on the permanent record, but is used for counseling purposes only.

Transcripts

When presented with a written request signed by the student, the Registrar will issue an academic transcript. There is a \$5 charge for all official transcript requests (see page 40).

Reinstatement Procedures

If a student’s enrollment is interrupted by one or more semesters, re-enrollment will automatically place the student in the same academic category as that which applied when the enrollment ended.

The Registrar and Financial Aid Director monitor the progress of each student at the end of each semester to ascertain when a student has regained Satisfactory Progress and is eligible to reapply for federal financial aid.

Students are responsible to know the Satisfactory Progress requirements and be aware of their status at the end of each semester. When students regain Satisfactory Progress minimums they may reapply for financial assistance through the proper designated college official: Director of Financial Aid for Federal Work/Study, Family Educational Loan Program, Federal Pell Grant, West Virginia State Grant, or Veteran’s Representative for veteran’s benefits.

Military Leave of Absence

ABC will document a student’s temporary leave of absence due to military responsibilities, such as being called to full time duty as a reservist or guard member. ABC will document the beginning and ending date when the student leaves active academic status and returns to it. A leave of absence refers to the specific time period

during which he/she is not in academic attendance for an ongoing program. The student will not be penalized academically for the time he/she is gone. He/she will be allowed ample, reasonable time to make up the work when he/she returns to active academic status. The student will not be penalized for excessive absences during the time in which he/she was on full time military duty. If the student is gone most of the semester, reasonable arrangements will be worked out for the student to either complete the semester's work or be allowed to Withdraw Passing and redo the entire semester's work at a later time, subject to approval by the Vice President for Academics. Any appeal of this policy must be made in the form of a written request which must be presented to the Vice President for Academics.

Academic Honors List

As a means of recognizing outstanding academic achievement:

Honors List (3.25-3.59)

Dean's List (3.60-3.84)

President's List (3.85-4.00)

These lists of superior students are published at the close of each semester. To qualify for these lists, a student must be taking a full academic load (12 credit hours or more).

Graduation Requirements

In order to qualify for graduation, students must:

1. Indicate agreement with the doctrinal statement of the College;
2. Be members of a local church, or affiliated with an organized assembly that does not offer membership;

Academic Status Policy

At the end of each semester the academic status of every student is evaluated. This evaluation is based on the same criteria for all students within each program. ABC does not make a distinction between whether a student is receiving Title IV aid or not when determining Satisfactory Academic Progress (SAP); All undergrad degree-seeking students follow the same SAP policy regardless of Financial Aid eligibility, full-time or part-time status, or which degree is being pursued.

Grades are based on a 0.00-4.00 scale (A=4.00). A Grade Report is issued to each student at the end of each semester. The Grade Report gives the semester and cumulative data as well as the student's current academic status. Students who are in Academic Status Categories B, C, D, E or F, are also notified of their status and its consequences by a letter from the Vice President for Academics.

I. Calculation

- A. Qualitatively each student will be evaluated on the basis of his/her cumulative Grade Point Average as it relates to the cumulative number of hours attempted. Transfer hours, hours with a grade "P," "V," or "WP" and audits will not be calculated into the GPA. Hours with a grade of "WF" will be calculated as a grade of "F" in the cumulative GPA. Hours which are dropped within the first ten weeks of classes are not counted in any calculations. Repeated courses will be calculated as follows:
 1. Courses in which a student receives an "F," "WF," "D-," "D," or "D+" may be repeated one time by a student. The prior grade is "forgiven." This means that only the last grade stands (it does not matter if it is higher or lower). A previous failing grade(s) will remain on your record until a passing grade is obtained.
 2. No course at Appalachian Bible College may be taken more than two times. Courses in which a grade of "C-" or higher has been earned may not be repeated.
 3. If an "F" is earned in a required course, that course may be forgiven if the course is repeated at ABC. Where permission is granted by the Vice President for Academics to repeat a failed course elsewhere, the grade earned in the course must be at least a "C." Credit will be handled in the same manner as the transfer subject. An elective course in which an "F" has been received need not be repeated.
 4. Upon successful completion of a repeated course, the original hours are forgiven and only the repeated hours and grade are used towards quantitative and qualitative purposes.
- B. Quantitatively each student must have successfully completed a minimum of 75% of all cumulative hours attempted. Each student will be limited to a maximum number of hours which may be attempted in order to complete a specific program. Cumulative hours attempted will include all hours transferred to ABC and all hours taken at ABC. Hours taken at ABC must be completed with a minimum grade of "D" or "P" to be counted as successfully completed.
- C. For undergraduate programs, the maximum timeframe for completion may not exceed 150% of the published length of the program as measured in credit hours.

Outcomes Evaluation

Appalachian Bible College is committed to equipping students for life and ministry and not merely taking them through the paces of completing courses. A number of broad evaluations have been designed at strategic intervals in the curriculum to determine whether students are genuinely progressing toward the goals of the institution. Some of these evaluations are embedded in courses and will involve input on student achievement from practitioners in the student's ministry field.

Other evaluations are external to individual classes and will involve feedback from multiple sources on student competencies. These evaluations will not be used to block graduation but will be employed by academic advisors and others to counsel individual students and to provide feedback to program coordinators on the effectiveness of individual programs.

Bible Certificate

Chair: Mr. Spencer Hammons

We at Appalachian Bible College do not expect every Christian to be involved in full-time vocational Christian Ministry. What we do expect is that every Christian will live his or her life to the glory of God and according to His Word. To this end, we offer a one-year Bible Certificate, which will provide a foundation for living, no matter your vocation. The Bible Certificate Program will guide you in developing a solid, Biblical foundation for life.

ABC offers three Bible Certificate options:

Bible & General Education Certificate

Coursework for the Bible and General Education Certificate mirrors the first year of a bachelor of arts schedule. If you decide to return for an A.A. or B.A. after graduating with this Certificate, you will be right on track.

[Bible & General Education Certificate Checksheet](#)

Bible & Ministry Certificate

If you want to forego general education courses and concentrate on Bible, theology, and ministry preparation for a year, this Certificate is for you.

2nd Major: **CAMPING**

Major Chair: Dr. John Skaggs

Throughout the Bible, God used the outdoors to challenge, teach, grow, and renew His people. Today, God is dramatically transforming lives for eternity through camp and recreation ministry.

The Camping major offers a well-rounded, Biblically-based curriculum in residential, adventure, and environmental programming. This major blends cognitive components from the classroom with practical hands-on application to provide an optimal learning experience for the students. Since Camping students also study Bible and Theology through this unique double major program, they get the very best training to serve in God's creation for God's glory.

Outdoor experiences abound in West Virginia! Students have access to world-class recreation in the New River Gorge and surrounding region.

Alpine Ministries, an extension camp ministry of Appalachian Bible College, provides an opportunity to put into practice what is learned in class. Camping students are able to utilize the onsite facilities and serve in leadership roles to further develop their personal philosophy of camping.

Skill Classes make ABC's Camping ministry major stand out as a top program in the U.S. These are experiential courses that teach practical skill development along with leadership training. Some classes give the opportunity to earn nationally-recognized certifications. Students learn to use each activity as a ministry tool to illustrate Biblical truth.

Where will this generation find a safe place without distractions to build relationships and consider God's plan for their lives? In a world starved for genuine relationships and authentic Christianity, Christian camping is a powerful tool that assists local churches in the Great Commission.

"I chose the ABC Camping Major because I made a life-changing decision at camp and I want to impact others in the same way." - Camping student

Students will be trained in the following areas:

1. A Biblically-based philosophy of camp ministry, leading to the implementation of outdoor ministry rooted in God's Word.
2. The theory and practice of experience-based learning, leading to the ability to design intentional experiences to communicate God's truth.

Major Chair: Mrs. Aimee Stiles

Elementary teachers spend over 1000 hours with their students during a school year. The impact that a godly teacher with a servant's heart can have in the lives of impressionable children is immeasurable. Appalachian Bible College is committed to touching the hearts, teaching the heads, and training the hands of these teachers-in-training by giving diligent attention to develop the Dispositions, Knowledge, and Skills, essential for an effective ministry in education.

Through time spent in the Word personally and corporately in Bible classes and campus activities, the Elementary Education student learns spiritual, emotional, and social stability and maturity in order to direct children effectively and responsibly.

Prospective teachers are educated and equipped to guide their classrooms with excellence through a carefully balanced and integrated sequence of courses. The skills to serve effectively are nurtured by:

2nd Major: **MISSIONS**

Interim Major Chair: Mr. Tim Rowe

The Great Commission is clear: “Go and make disciples of all nations” (Matthew 28:19-20). But prior to this Jesus gave other commands. “If any man will come after me, let him deny himself, and take up his cross, and follow me” (Luke 9:23); and, “If any man serve me, let him follow me” (John 12:26).

ABC has been assisting local churches by equipping students to serve Christ wherever He leads, including:

- ❖ Economically depressed third-world countries,
- ❖ Large urban areas in Europe, South America, or Asia,
- ❖ Spiritually-cold regions of North America,
- ❖ Ethnic/religious populations in the United States,
- ❖ A specific people or language group throughout the world.

Guided by experienced missionaries, the curriculum offers instruction that is both theoretical and practical. From writing a prayer letter to discipling believers, the graduate is prepared to serve in both local and cross-cultural missions.

All students in the Missions major are required to complete an internship lasting 6-10 weeks, preferably in a cross-cultural setting. This internship takes place during the summer between the student’s Junior and Senior years. Students report that the internship solidifies and deepens their desire for missions.

[Missions Checksheet](#)

The Missions major offers a number of concentrations in addition to the basic program: Aviation, Biblical Languages, Foreign Language, Music, International Studies, Nursing, TESOL, Women’s Ministries, Worship, Youth & Family.

The **Aviation** concentration provides specialized training for church planters among under-reached people groups in areas that lack infrastructure. From the days of Moses, individuals were given the task of leading others in praise and worship of our great God through music. The need for godly, trained musicians in the church remains, whether leading congregational worship, accompanying with instruments, or directing a choir.

Students studying music at ABC will not only emerge better performers but will also broaden their knowledge of worship, understand their instrument to teach others, and be trained with ministry in mind.

The Music major offers several concentrations: Missions, Pedagogy, Performance, and Worship.

Core classes in music theory, aural skills, music history and church music are the foundation of this major. In addition, each concentration integrates classroom instruction with experience in church ministry by providing hands-on training through participation in musical performances.

The **Missions** concentration develops students' musical skills for global use in cross-cultural settings.

[Music - Missions Checksheet](#)

PT 515 - Biblical Counseling**3 Credit Hours**

Today's Pastors and Christian leaders are daily confronted with issues with which the members of their local church flock wrestle. These are tough issues, too—issues that carry heavy moral, spiritual and future ramifications. Unfortunately, many of God's people today focus on feelings and the fear of man as they go through these critical issues. Self-esteem and fear are factored in more than the sufficient Christ. But it does not have to be this way. Indeed, for the child of God it should not! In Biblical Counseling we will lay down the Bible's timeless, theological grid for discipleship. We will then pass many of the most common counseling issues faced in the local church through this grid and gain God's perspective in each one. As big as man's problems can be, we want to see an even bigger God who is not only capable of changing circumstances but also changing us in our circumstances.
